REMINDER: NO SCHOOL ALL OF NEXT WEEK, NOVEMBER 23-27
This is different from other TTUSD schools, which are off only Wed-Fri, November 25-27

Hi all,

Fantastic Gratitude Evening last week. Loved seeing so many of our community; lots of great conversations, activities, and student words. Many thanks to the PTC and event chair, **Cassie Hebel** for organizing. I hope those of you who missed this annual gathering can attend next year as this is one of our primary community building events.

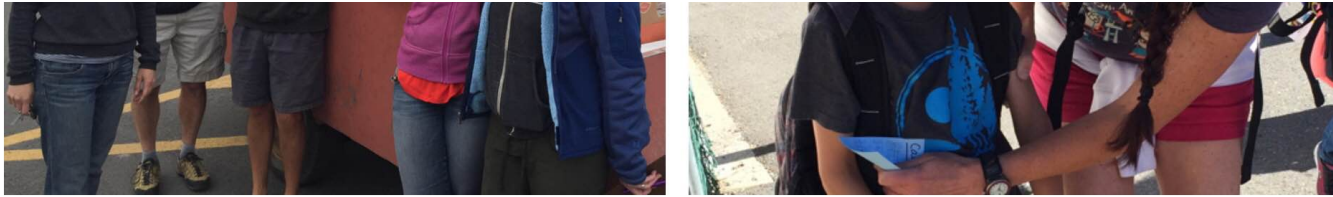

Crews spent time thanking parent helpers and volunteers. On behalf of our entire staff, many thanks. Our program and your children benefit tremendously from your participation. When numbers are totaled, we have seen significant efforts from our parent community:

- **149 drivers/chaperones**
- **60 volunteers in the classroom**

- 66 volunteers in the classroom
- 101 volunteers out of the classroom
- 32 PTC members

There are many opportunities to get involved with our school and your child's crew. Please know that your time is extremely valuable and important to us! It's quite a bit of fun too...

News & Notes

We are heading into a busy time of year and gearing up for Celebration of Learning on December 17. Please make sure your kids keep healthy habits and are at school each day.

Earlier this week we sent out information on the new vaccination policy beginning next school year. To summarize: all students must be fully immunized to enter Kindergarten and 7th grade. If your child is in between these grades please make sure he/she will be fully immunized before 7th. Only medical exemptions will be allowed; personal/religious exemptions will no longer be valid. For questions, please first refer to the information sent.
